

REMARKS

In the Advisory Action dated May 27, 2003, the Examiner objected to the terminal disclaimers as failing to identify the application that forms the basis for the terminal disclaimer. The Examiner also stated that Mr. Craig Rogers was not an attorney of record in the present application.

With respect to the terminal disclaimer, a new terminal disclaimer is submitted herewith properly identifying the application (10/150,411) that forms the basis for the terminal disclaimer. Also, applicant is resubmitting copies of the Power of Attorney and Associate Power of Attorney previously submitted in this application.

For the foregoing reasons, reconsideration and allowance of the application is solicited. Applicant respectfully requests that the Examiner telephone the undersigned at (503) 222-3613 to discuss any additional matters, if any, that are necessary or helpful in advancing the case.
